WELCOME MESSAGE

We thank you in advance for your anticipated support and hope that we will be able to work together towards an extremely successful conference!!

On behalf of organizing team it is a great pleasure to welcome you all to the **28th National AMBICON 2021** on the theme **Molecular Ingress in the Realm of Modern Diagnostics**. The conference is being organized on both physical and virtual platform. Virtual platform has given us the opportunity to make the event global and making it easier for everyone to attend at the comfort of their homes. The Organising Committee has been working diligently to prepare for the conference.

This Conference will include presentations and panel discussions. The 3 days deliberation shall be an academic bonanza for the delegates with over a dozen faculty members coming from various nook and corners of the globe. This conference will feature plenaries by esteemed International speakers, pertinent updates on clinical practice, as well as presentations on recent scientific development in the field of diagnostic as well as patient care.

The scientific program will be full of academic talks, panel discussions, paper/poster presentations to provide a complete spectrum to the delegates. Various workshops are also be organised for the doctors.

I hope that you will enjoy the hybrid conference, and in future you can plan to visit & explore this beautiful city Raipur which is also known as "Rice Bowl of India".

The organising team have left no stone unturned to make this a memorable event. The registration links are open, so please don't delay and register yourself as soon as possible. We welcome you all to actively participate in the meet and encourage your colleagues to do so.

Looking forward to welcome you to a lovely scientific extravaganza.

Take Care & Stay Safe

Regards
Prof. (Dr.) Eli Mohapatra
Organizing Chairperson

ABOUT **CONFERENCE**

- The 28th National Annual Conference of Association of Medical Biochemists of India (AMBICON 2021) is being organized by All India Institute of Medical Sciences Raipur, an Institute of National Importance, established by the Ministry of Health and Family Welfare, GoI under the Pradhan Mantri Swasthya Suraksha Yojna.
- The conference is to be held in Hybrid Mode from December 3-5, 2021, with a pre-conference workshop on December 2, 2021.
- We aim to have deliberations and discussion with eminent technical experts in their own fields. An academic feast beneficial for all delegates.
