About EMPART 2024:

- Empart a review course on day to day pediatric emergency
- Interactive sessions on triage, systematic emergencies & trauma & Interesting Discussions

Workshop Highlights

POCUS – Point of care ultrasound in pediatric emergency. Its high time to use POCUS in emergency to guide and support your diagnosis, plan your management and see your response to treatment. Use USG in emergency in your stabilization of ABCD and while you are looking for E. Learn from experts and get hands on training on utility of POCUS in emergency.
