Proprietary Article Certificate

Integra Life Sciences Corporation, 311 Enterprise Drive, Plainsboro, New Jersey 08536, United States, certifies that Integra Life Sciences is the originator and manufacturer of **Integra® Dermal Regeneration Template** (Dermal Regeneration Template); **Integra® Meshed Dermal Regeneration Template** (Meshed Dermal Regeneration template); **Integra® Wound Matrix Thin** (Wound Matrix Thin) and **Integra® Dermal Regeneration Template - Single Layer** (Dermal Regeneration template -Single Layer). Integra® Dermal Regeneration Template; Integra® Meshed Dermal Regeneration Template; Integra® Wound Matrix Thin (Wound Matrix Thin) and Integra® Dermal Regeneration Template- Single Layer are proprietary medical devices of Integra Life Sciences.

Integra LifeSciences' collagen products including Integra® Dermal Regeneration Template, available in Meshed and Non-Meshed configurations (Integra template) is a bilayer membrane system for skin replacement. The dermal replacement layer is made of a porous matrix of fibers of cross-linked bovine tendon collagen and glycosaminoglycan (chondroitin-6-sulfate) that is manufactured with a controlled porosity and defined degradation rate. The epidermal substitute layer is made of a thin polysiloxane (silicone) layer to control moisture loss from the wound.

Integra manufactures collagen products based on its proprietary Ultra Pure Collagen™ technology platform. Producing Ultra Pure Collagen™ involves a multi-step proprietary purification process that reduces possible contaminants and achieves a million-fold reduction in viral infectivity. This process helps ensure that all Integra LifeSciences' collagen products are safe for patients and is the main reason why there has been zero reported instances of foreign body reaction with Integra collagen implants despite almost 2 million implantations worldwide over 22 years.

By contractual arrangement, Dr Reddy's Laboratories is the exclusive distributor of Integra® Dermal Regeneration Template (Dermal Regeneration Template); Integra® Meshed Dermal Regeneration Template (Meshed Dermal Regeneration template); Integra® Wound Matrix Thin (Wound Matrix Thin) and Integra® Dermal Regeneration Template - Single Layer (Dermal Regeneration template -Single Layer) in India.
