**d) Submission and Evaluation of Thesis**

The Ph.D. Program culminates with the submission of a thesis of a substantial work of original research carried out by the candidate under the guidance of the Chief Guide. (Annexure VIII)

- i. No candidate will be allowed to submit thesis without the approval of the Doctoral Committee. The final Doctoral committee meeting should be held at least 6 months before the end of the maximum registration period (of 5 years or as the case may be) and once satisfied, the committee will grant writing permission to the candidate. The same will be informed to the Dean (Academics) in the DC report which should include a brief resume of the work done.
- ii. Candidate must submit thesis within 6 months of grant of permission to write. However, extension for maximum up to 3 months can be given by the Dean (Academics) on their commendation of chief guide mentioning justifiable reasons. The submission should not be earlier than prescribed minimum period of 3 years and no later than the maximum period of registration (5 years or above as the case maybe). The thesis shall be certified by both the Guide and by the Co-Guide (s) before its submission. No extension for this period will be granted under any circumstances.
- iii. The completed thesis including all signed documents and annexure should be submitted in its final form in soft bound hard copy and PDF format to the office of the Dean (Academics) from where it shall be sent to the Dean (Examination) thereafter it will be sent to the examiners through secure electronic means for evaluation.
- iv. The chief guide in consultation with the Doctoral committee shall submit a panel of examiners at the time of submission of the final Doctoral Committee report that is at least six months before the expected date of submission of the thesis (end of registration period). The panel shall include eight examiners (from India as well as abroad). The examiners, on the basis of their published work, should be acknowledged leaders in the field of study undertaken by the candidate. The external examiner should hold a senior post in reputed Institute. A reminder for the submission of such a panel will be sent by the academic section at least 9 months prior to the date of end of registration, so that this may be discussed during the final Doctoral committee meeting. If any examiner is from abroad, will take exam through online mode.
- v. A board of four examiners shall be appointed by the Examination Section with approval of Competent Authority for assessment of the thesis. One of them shall be the Chief Guide of the candidate, who shall act as coordinator and internal examiner. The other three will be external examiners from the panel of examiners as above who will evaluate the thesis as well as conduct viva-voce. In cases where the panel included members from abroad, one of the three examiners selected can be from abroad. However, appointment of examiner's from abroad may not be necessary.

The Board of Examiners who value the thesis shall report on the merit of the candidate for the Ph.D. degree as follows:

- The thesis to be accepted for the award of PhD degree in the present form
- The thesis to be accepted for the award of PhD degree after minor corrections/revisions
- The thesis be revised and resubmitted for evaluation for major corrections.
- The thesis be rejected.

If the thesis is approved, each examiner shall submit questions, if any, in a sealed cover/through secure electronic means to be asked at the time of viva-voce

vi. The thesis will be evaluated by all the examiners from the board of examiners (except the chief guide). If the thesis is accepted by more than one examiner, it will be considered as Approved. If thesis is rejected by more than one examiner it shall be rejected and registration cancelled.

If the examiner / examiners insists on any minor correction / revision to be made in the thesis, the same shall be made by the candidate before the public viva-voce examination and certified by the Chief Guide.

If the Examiner(s) explicitly suggest requirement of the revision and major correction and re-submission for further evaluation, then the revised thesis duly certified by the chief Guide, Doctoral Committee and the Dean (Examination) shall be sent to the same examiner for further evaluation

vii. In the absence of such a statement or if the examiner concerned specifically instructs that the revised thesis need not be sent back to him/her, the revised thesis duly certified by the Guide, Doctoral Committee and the Dean(Academics), shall be accepted and the candidate shall be allowed to appear for viva-voce.

a. The examiners (including the foreign examiner) shall submit the evaluation report in the prescribed format with in the period of two months of receipt of thesis.

b. If one or more examiner recommends re-submission of the thesis after modifications it shall be done within a maximum period of 2 months (6 months in case some new experiment is recommended) from the date on which the candidate is so informed by the Dean (Academics).

c. If the reports from all the external examiners are not received within 2 months, a copy of the thesis be sent to another examiner from amongst the approved panel.

d. After the thesis has been approved by the external and internal examiners, a public defence of the thesis will be held, as well as the viva voce examination to adjudge the general proficiency of the candidate in the subject(s) allied to the candidate field of work

viii. Once the comments of the examiner is received it is forwarded to the candidate and the chief guide for required changes/clarifications. Once the thesis is approved by the examiners, it is the student's responsibility to complete the formalities and send the final approved hard bound copies to the Dean (Academics)/ Associate Dean (Academics) Office under supervision. This shall be followed by public defence of the thesis as arranged by the Examination Section. The soft copy of this thesis shall then be archived by the institute.

ix. Candidate shall be allowed to appear in public defense/viva voce after having at least one publication (pubmed/scopus/Web of Science) in peer reviewed indexed Journal of repute. Proof of acceptance for publication shall be counted as publications for this purpose.

**e) Public Defense of Thesis**

- i. There shall be a public defense of the thesis orally by the candidate. The topic, date and the time of the defence of thesis shall be announced by the Examination Section well in advance so that the Faculty members and others interested in the topic of the thesis can be present. At the viva voce examination, the candidate's general proficiency in the subjects allied to the field of his study shall also be evaluated. Those attending the public defence who are not members of the board of examiners, can also participate by asking relevant questions. The board of examiners shall take into consideration the views and criticism if any, of the Faculty members and others participating in the public defence of thesis. However, the result of the examination shall be decided solely by the members of the board of examiners.
- ii. The candidate shall be entitled to appear at the defense of thesis viva voce examination only if the thesis is unanimously approved by the Board of Examiners for the thesis. The Public Defence Viva shall be conducted within three months of receipt of examiners' evaluation report.
- iii. The board of examiners for the viva voce examination shall consist of two external and two internal examiners. Ordinarily, the chief guide and one the co-guides of the thesis as decided by the Chief Guide will be the internal examiners. The external examiners, from India who assessed the thesis of the candidate will act as the external examiners at the viva voce examination. The external examiner should hold the post in the Medical college
- iv. In the event of non-availability of one of the external examiners who evaluated the thesis, another examiner from amongst the panel be appointed for the viva voce examination at the discretion of the Dean (Examination).
- v. If the candidate fails to take viva-voce within six months on valid grounds, the Executive Director/Dean (Academics) can permit one-month extension on specific request from the Chief Guide through Doctoral Committee and HOD. If the candidate fails to take the viva-voce even after the extension, the Ph.D. registration gets cancelled.
- vi. The Viva-Voce can be held on any working day of the Institute.
- vii. In case the Examiners conducting the viva voce examination is not in a position to travel to the Institute due to untoward event, the Chief Guide can arrange the viva-voce with prior permission of Dean (Examination) for the participation of the external examiner through video-conferencing.
- viii. In the viva-voce, the Chief Guide will introduce the External examiner who will then conduct the examination. The candidate shall make a minimum of 45 minutes presentation of the thesis. The candidate is expected to explain how he / she embarked on their project, what were the issues set out to investigate and why, what was achieved, the methodology adopted, and significant contributions to the existing scholarship in the field. After the presentation, the external examiner shall begin the questioning followed by the faculty present and public.
- ix. After conducting the Viva-Voce examination, the Chief Guide shall convey to the Dean (Examination), through the Head of the Department, the result of such examination endorsed by the External Examiner. A candidate who is successful in the public viva-voce examination shall be declared to have qualified for the PhD Degree.
- x. If the candidate passes the viva-voce examination, the viva-voce examiner and the Chief Guide shall consolidate the recommendation and submit to the Dean (Academics), for the award of the degree based on

- The reports of the examiners who adjudicated the thesis and
- The evaluation report of the candidate's performance in the viva-voce examination.

xi. The candidate shall be declared eligible for the award of the degree of Doctor of Philosophy only, on the unanimous recommendations of the members of the board of examiners at the viva voce examination.

In case, the examiners are not satisfied with the performance of the candidates in the above examination, the candidate shall be required to reappear for another viva voce examination after a period of two months provided such specific recommendations is made by the board of examiners. In the event of failing again, his/her candidature for the degree will be rejected.

## **25. AWARD OF Ph.D. DEGREE:**

2. The DC so formed shall be approved by the Dean (Academics).
3. The DC Members should be informed of the date on which DC shall be held which shall include (i)the protocol as per format for evaluation (ii) Terms of Reference of DC for information (iii) mode of meeting (offline for members. However, external experts outside AIIMS, Raipur can opt for online), venue and time (iv) link for external members if applicable.
4. Presentation for defence of Protocol shall be done by the student in detail, with special reference to lacunae, objectives and methodology with reply to queries raised by the members.
5. Attendance of the Members shall be recorded (Annexure I).
6. The draft report of the same shall be primarily framed by the PhD student in standard Format under supervision of the Guide. (Annexure II)
7. The draft report shall then bee-mailed by the Guide to all DC members with a covering letter (Annexure III) for comments specifically with relation to Items B and E.
8. A time to be stipulated in the covering letter for receiving the report from the evaluating members.
9. Rating by the member will not be considered if report is not received within stipulated time.
10. Upon receiving the reply, the guide shall fill up the comment compilation sheet and sign the same along with the convener. This shall be countersigned by the Chairman of DC with final approval / disapproval as per options provided in format (Annexure IV).
11. In case of 1<sup>st</sup> DC (For approval of Protocol) the evaluation Sheet shall be forwarded to the Dean (Academics) for issue of Certificate of approval of protocol (Annexure V).
12. For subsequent DCs
  - a) The Chairman shall convey the decision of DC Members to the student after compilation of grades in Evaluation Sheet.
  - b) A progress report of the work shall be sent by the student to the IEC as per format.
13. Decision by the Chairman of DC shall be based on:
  - a) Comments by majority of evaluating members with regard to grading & approval / disapproval.

- b) DC shall be repeated if more than one member grades the DC as “Satisfactory” or “Poor” (Item B).
- c) A member should opt for “Not Approved” against Item E when he/she has graded the DC report as “Satisfactory” or “Poor” (Item B).
- d) A statement to be issued to the student by the Chairman to improve the standards if the report is graded as “Good” by more than one DC member.

14. The DC Meeting shall be repeated at least once every six months from approval of protocol.

15. The candidate shall apply for IEC clearance once he/she receives the Certificate of Approval of Protocol from Dean (Academics) with respect to the 1<sup>st</sup> DC.

16. In case of Disapproval of Protocol, the same shall be conveyed to the student by the Chairman in writing with instructions to repeat DC Meeting within three months.

17. A repeat of the DC Meeting (DC as per cycle starting from Item 3 above) shall be then held within 3 months of the earlier DC.

18. All further decisions on reports of subsequent DC Meetings shall be conveyed to the student by the Chairman in writing except in Item 11 above (Annexure V).

**NOTE:** *The DC Meetings are considered as periodic evaluation of work by the candidate. Therefore, the aforesaid criteria are to be strictly complied with. All documents shall be preserved in student file maintained with the guide and Office of the Dean (Academics) and also uploaded in official domains as scanned soft copy within a week of completion of each DC.*
