Observer ship Training Program for Bachelor of Pharmacy Students at All India Institute of Medical Sciences (AIIMS) Raipur Department of Pharmacy

Introduction

The observership training program for Bachelor of Pharmacy (Pharmacy) or equivalent as per Pharmacy council of India students at AIIMS Raipur Central Pharmacy aims to bridge the gap between academic knowledge and practical experience. The program is designed to provide comprehensive training in various aspects of pharmacy practice, ensuring that students gain hands-on experience in a real-world healthcare setting. The whole process of observership will involve assessment of the intern pharmacists by measuring practical experience obtained that renders him/her competent to be registered and provide holistic pharmaceutical services.

Objectives

- To enhance the practical skills of Pharmacy students through hands-on training.
- To provide exposure to the working environment of a central pharmacy in a premier medical institute.
- To develop competencies in various areas of pharmacy practice, including clinical pharmacy, hospital pharmacy, and community pharmacy.
- To foster professional and ethical attitudes in pharmacy practice.

Program Structure

- The observership training program will be structured as follows:

No. of Seats

- The total number of seats will be 4 per batch*.
