### Proprietary Certificate

ulrich GmbH & Co. KG, Buchbrunnenweg 12, 89081 Ulm, Germany, is manufacturer and supplier of triple head syringeless contrast media injectors for CT and MRI. We hereby confirm that the pump hose and the patient tubing (with dual check valves) are proprietary products of ulrich GmbH & Co. KG. No other company produces, certified as original disposable, similar tubes for use with our injectors globally.

In any ways we require original disposables to be used for best, safe and efficient use of our contrast media injectors. The use of third party disposables can cause damage to the injector and to the patient and will also cause the loss of product warranty as a consequence.
