		to study participants.							
2	Placebo Capsules	Matching placebo capsules containing starch or equivalent inert excipient, suitably matched with the investigational product in appearance and packaging, to maintain double-blinding and allocation concealment in the clinical study.		3,600	Capsules				

Terms & Conditions

1. **Taxes/GST**, if applicable, should be clearly mentioned separately in the quotation and in the above table.
2. The firm shall submit documentary evidence of **GST registration and other relevant registration documents** along with the quotation.
3. The bidder shall provide details of the **manufacturer, manufacturing licence/authorization, product specifications and applicable quality-control documentation**, wherever applicable.
4. The supplied investigational product and placebo shall conform to the **approved study protocol and applicable regulatory/ethical requirements**.
5. The **Probiotic Capsules and Matching Placebo Capsules** shall be suitably packaged, labelled and supplied in a manner appropriate for use in the clinical **research study**, as per the requirements communicated by the Principal Investigator/authorized study team.
6. The placebo capsules should be **adequately matched with the probiotic capsules** with respect to appearance and other relevant characteristics to preserve blinding and allocation concealment.
7. The supplier shall provide the applicable **Certificate of Analysis (CoA)/quality certificate** and batch details along with the supply, wherever applicable.
8. The supplied products should have adequate **remaining shelf life** at the time of delivery and should be suitable for the duration of the study.
9. **Supply should be completed within 15 days** from the date of placement of Purchase Order, unless otherwise specified by the Principal Investigator.
10. The quoted price should be **FOR Destination basis**, i.e., delivery to the concerned department/study site at AIIMS Raipur.

11. **100% payment** will be released after satisfactory supply, verification and certification by the concerned department/Principal Investigator, subject to applicable AIIMS rules.
12. The **quotation name/number and due date of opening** should be clearly mentioned on the top of the envelope.
13. **LD @ 0.5% of the delayed supply per week or part thereof** for delay in supply, subject to a maximum of **10% of the delayed supply**, may be deducted as per applicable rules.
14. AIIMS Raipur reserves the right to place the order for the **full or part quantity** to one or more firms.
15. AIIMS Raipur reserves the right to **increase or decrease the required quantity** as per the study requirement and applicable institutional rules.
16. AIIMS Raipur reserves the right to **accept or reject any or all quotations** without assigning any reason.
17. All other terms and conditions shall be as per **GFR 2017 and applicable AIIMS procurement rules**.
18. The material shall be delivered to:

Clinical Research/Study Office
Department of Pharmacology
AIIMS Raipur, Chhattisgarh

Principal Investigator

ANNEXURE – A

TECHNICAL SPECIFICATION

1. Probiotic Capsules

Quantity: 3,600 capsules

Each capsule shall contain:

- *Streptococcus faecalis* T-110 – **60 million**
- *Clostridium butyricum* TO-A – **4 million**
- *Bacillus mesentericus* TO-A – **2 million**
- *Lactic acid bacillus (Lactobacillus sporogenes)* – **100 million**

The product is intended as the **investigational product for administration to study participants** in the clinical research study.

2. Matching Placebo Capsules

Quantity: 3,600 capsules

The placebo shall:

- Contain **starch or equivalent inert excipient**.
- Be appropriately matched to the investigational product.
- Be suitable for maintaining **double-blinding**.
- Be supplied in a manner that preserves **allocation concealment**.
- Have appropriate packaging/appearance to minimize identification by study participants and study personnel.

3. Packaging and Labelling

The investigational product and placebo shall be supplied in **appropriately coded/labelled packaging**, as required by the study protocol and communicated by the Principal Investigator/authorized study team.

4. Quality Documentation

The supplier shall provide, as applicable:

- Certificate of Analysis (CoA)
- Batch/Lot number
- Manufacturing date
- Expiry date
- Manufacturer details
- Product specification/quality certificate
- Storage conditions
- Applicable manufacturing/quality certification

5. Delivery

The complete quantity shall be delivered to the designated study site at **AIIMS Raipur** within the stipulated period after placement of the Purchase Order.

Principal Investigator

Dr. Pugazhenthana Thangaraju

AIIMS Raipur (C.G.)
