NOTICE

It has been observed by the **Institute Research Cell** that a number of research projects submitted from **various departments and faculty** show a high degree of similarity in topics and methodologies. In several cases, the level of similarity exceeds **90%**.

All researchers, including faculty members and students across departments, are **strictly advised** to follow the approved research guidelines and maintain academic integrity. Projects or research work found to have such high similarity will be considered a **case of plagiarism** and will be dealt with accordingly, as per institutional policy.

This notice is issued for **information and strict compliance** of all departments, faculties, and researchers involved.
