## Corrigendum

**Tender Id No.:** 2025\_IMSRP\_875525\_1, **Dated:** 01/09/2025.

With reference to above tender ID No., the following amendment is being issued for the tender **“Fully Automated Clinical Biochemistry Analyzer on reagent rental basis for the period of 5 years (Free of Cost) rate contract basis at Department of Biochemistry”** at AIIMS Raipur:-

SN	Page/Cla use/ Point	Existing Parameters	To be read as
11.	Eligibility	<p>a. Bidder must quote for all parameters in annexure-II</p> <p>b. Bidder must also quote for all parameters in annexure-III. However, bidder is open to quote for a maximum of 5 items of annexure-III (not more than 5 items) of some other make/company but it would be bidder's responsibility to provide all required logistics as per same terms &amp; conditions as in case of items for annexure-II</p> <p>c. i) Bidder must quote reagents, calibrator control of same system pack as of the equipment</p> <p>ii) Open system is not allowed for items in annexure-II.</p> <p>iii) For annexure-III, a maximum of 5 items can be made open system..</p>	<p>Yes, May be amended as following:</p> <p>Eligibility-</p> <p>1. Bidder must quote for all parameters in both the Annexure-2 &amp; Annexure-3.</p> <p>2. Annexure-2</p> <p>i. For all items listed in Annexure-2, the bidder must quote reagents of the same make as the make of equipment.</p> <p>ii. For such quoted items, the bidder shall be fully responsible for: satisfactory performance of the reagents, provision of all required accessories/consumables, internal and external quality control (including participation in worldwide EQAS/Inter-laboratory comparison, where applicable), and achievement of the quality targets as per the lab policy. The bidder MUST PROVIDE world wide data for all parameters.</p> <p>iii. Quoting reagents or consumables of any second party, third party, or any make other than the make of the quoted analyser for items in Annexure-2 is strictly prohibited and will render the bid noncompliant.</p> <p>iv. Any deviation from this condition shall lead to rejection of the bid, and if discovered after award of rate contract, may cause cancellation of the Rate Contract and/or blacklisting of the vendor as per institutional norms.</p> <p>3. Annexure-3</p> <p>i. For items listed in Annexure-3, the bidder</p>

			<p>should quote own make reagents/ may quote reagents of any equivalent make, subject to meeting all technical specifications and compatibility with the quoted equipment.</p> <p>ii. For such quoted items, the bidder shall be fully responsible for: satisfactory performance of the reagents, provision of all required accessories/consumables, internal and external quality control (including participation in worldwide EQAS/Inter-laboratory comparison, where applicable), and achievement of the quality targets as per the lab policy. The bidder <b>MUST PROVIDE</b> world wide data for all parameters.</p> <p>iii. If the bidder (manufacturer/OEM or its authorised agent) has any item of its own make corresponding to an item mentioned in Annexure-3, the bidder must quote only its own make for that item.</p> <p>iv. If, at any time during the period of the Rate Contract, the bidder or its principal/OEM introduces or obtains regulatory approval for reagents of its own make corresponding to any test/item covered under Annexure-3, the following shall apply:</p> <ol style="list-style-type: none"> <li>The bidder shall be <b>OBLIGED</b> to supply its own-make reagents for that/those item(s) from the date of such availability or approval.</li> <li>Such own-make reagents shall be supplied at a price not higher than the rate already quoted and finalised in the Rate Contract for that item and on the same commercial terms and conditions (including warranty, QC responsibilities, free of cost calibrators or controls, uptime obligations, penalties, etc.) as applicable to all other items under the Rate Contract.</li> <li>No separate price revision or additional financial burden shall be admissible on account of such changeover to own-make reagents.</li> <li>For such items, the bidder shall be fully responsible for: satisfactory performance of the reagents, provision of all required accessories/consumables, internal and external quality control (including participation in worldwide EQAS/Inter-laboratory comparison, where applicable), and achievement of the quality targets as per the lab policy. The bidder <b>MUST PROVIDE</b> world wide data for all</li> </ol>
--	--	--	--

		<p>parameters.</p> <p>v. If, at any stage even after award of rate contract, it is found that the bidder has not quoted its own make for an item for which it is an OEM/manufacture, the institute reserves the right to:</p> <ol style="list-style-type: none"> <li>Declare the bidder ineligible,</li> <li>Cancel the Rate/Reagent Rental Contract awarded, and</li> <li>Forfeit EMD/Performance Security and/or blacklist/debar the firm as per institutional norms.</li> </ol> <p>Interpretation of "own make" and any dispute under this clause shall rest with the institute, whose decision shall be final and binding.</p>
--	--	--

All the other terms and condition will be remained unchanged.
