Concept Note:

A. General features:

1. The SITC should be able to provide integration of smart board – projector system and the digital podium- computer- speaker system in such a manner that an effective audio-video solution is provided for class room lectures and interaction. The bidder shall be able to arrange for Annual maintenance of the integrated AV solution developed and installed in the above SITC.
2. **Basic Requirements - Regular Class room as well as virtual class room usage in AIIMS, Mangalagiri:** AIIMS Mangalagiri class room in temporary campus will be utilized as regular lecture hall as well as virtual class room, whenever required.

Teacher Location Features as well as Remote Location Class room features are to be integrated in the Lecture hall.

Teacher Location -

- Smart Interactive Whiteboard
- Projector
- Computer / Laptop
- Display screens
- Collar Mic
- Hand-held cordless mic
- Amplifier
- Speakers
- echo cancellation audio device
- PTZ 1080p HD resolution video camera
- e classroom software - Host license

Remote Classroom Location -

- Projection Screen
- Projector
- Computer / Laptop
- Hand-held cordless mic
- Amplifier
- Speakers
- echo cancellation audio device
- PTZ 1080p HD resolution video camera
- e classroom software - Participant license

3. **Desirable features:** The Camera should be sound sensitive so as to focus of the student who intends to ask questions. In addition, following features are desirable:

- Works perfectly on low internet bandwidth of even 100 kbps
- Works on all types of network viz. LAN, Home broadband, Data cards etc.
- Full HD quality video display and audio to ensure, students from all locations get same crystal clear learning experience
- Each location view on separate display at host location
- Built-in audio & video recording feature to store all learning sessions on computer/ server which can later be used as revision lessons
- Built-in video mixing feature, at no extra cost
- Document scanning & sharing with the help of document camera
- Remote control of PTZ camera in any location to manage focus on particular student. It is very useful feature when one of the students is asking queries to teacher
- Files, application, presentation sharing to students from all locations

Original software for enabling connection of procured equipment with Remote equipment at desired location should be provided.

Section I: Scope of work and eligibility

The scope of work and other conditions of the tender are as follows:

1. Scope of Work :

General scope of work:

All India Institute of Medical Sciences (AIIMS) at Mangalagiri presently housed in the temporary campus in Siddhartha Medical College propose to install state of the art, computerized, contemporary audio visual virtual smart classroom solution on a turn-key / SITC basis in **ONE** number of lecture rooms. It is proposed to install high luminance projection system with interactive capability and integrate the same with a digital podium having touch screen and extended audio system to cover the entire length and breadth of classrooms. Preference shall be given to vendors who have manufacturing facilities of interactive whiteboard/ digital podium, etc. and can give at least three years warranty. The bidders can inspect the premises and take measurements for designing the integrated audio-visual solution for the purpose of submission of bids.

Specific Scope of works:

Procurement on SITC basis of following equipment (with specifications)

A. Smart Interactive Digital Podium with inbuilt computers and extended Audio Solution:

1. 21 Inch Touch panel
2. Toughened steel structure with castor wheels
3. Audio Visual controls on platform mount and also cordless visual control.
4. Multi touch writing capability with finger and stylus pen.
5. Preferably Bosch (quality) 240 Watts amplifier integrated with 24Watt Bosch speakers (4-6 numbers; price to be quoted and charged as per actuals)
6. Integrated, preferably SHURE (quality) head-worn microphone & two cordless microphones with receivers.
7. Branded Computer with i7 processor, 8 GB RAM, 1 TB HDD, Windows 10 OS and scalable capabilities complete with mouse, mouse pad, etc. and with UPS for at least 30 minutes backup.
Additional computer for presentation screen display with i3 processor, 4GB RAM, 500GB HDD, Windows 10 OS, keyboard, mouse.
8. Integrated visual presenter with 22X zoom.
9. Storage drawers for multimedia devices.
10. Sliding platform for laptops/ Books.

11. Secure access system (RFID/Biomtric) for compartments of podium
11. At least 2 years manufacturer warranty (on manufacturing defect)
12. The interactive software in podium shall be such that it shall have capabilities to connect to VoIP, Swayam or similar, video conferencing platforms and the virtual classroom software platform. It should seamlessly integrate with audio video recording equipment required to record and broadcast live lectures. Also, it shall have feature to record content written on interactive touch screen
13. Scalability Provisions: Scalable architecture for future expansion and collaboration over collaboration platforms; and also with future provision of AV content recording capability which can be saved directly to connected cloud or other storage platforms.

B. High Luminance Projection System:

One Number per classroom with 150” motorized projection screen with 5000 lumens projector of preferably Hitachi (quality)

C. Interactive smart whiteboard- projector system:

1. 102 inch diagonal size aluminium anodized frame with powder coating for whiteboard.
2. Anti glare, high luminance display when integrated with DLP projector (3000 ANSI lumens short throw DLP projector with minimum 3 years manufacturer warranty to be commissioned on SITC)
3. Advanced Optical DVT hybrid sensors for finger touch and pen touch surface.
4. Multi-touch capability upto 10 touch points along with Whiteboard version 2 software.
5. Content recording software capability
6. Compatibility with windows, android and Linux operating Systems.
7. Durable surface with Minimum 3 year’s replacement warranty on smart board.

D. Virtual Smart Classroom Platform and Equipment:

1. Virtual smart classroom software platform and sound/voice-sensor abilities and shall have following features –

- a. **System Compatibility:** Windows, Linux, iOS, Android
- b. **Device Compatibility:** Works perfectly with smart phones, desktop, laptop, iPads, tablet etc.
- c. Works on all type of networks viz. LAN, Home broadband, Data cards etc.

d. Full HD quality video display and audio to ensure, students from all locations get same crystal clear learning experience

e. Scalable up to 10 on-screen participant locations

f. Quick Communication via address book facility & instant messaging

g. Advanced scheduler for effective planning of learning sessions

h. Built-in audio & video recording feature to store all learning sessions on computer/ server which can later be used as revision lessons

i. Content Sharing: Files, applications, presentation sharing to audience

j. Secure, reliable & unified communication system for conceptual clarity of lessons delivered

2. System shall have hardware equipment for recording with following features –

- Pan tilt zoom camera with 260 degrees pan capability
- 130 degrees tilt
- 10X HD zoom
- 90 degrees field of view
- H.264 UVC 1.5 with SVC
- Preferably Kensington security wire slot
- LED indicator when recording is on
- IR 8.5 m range remote control
- Dual purpose wall and ceiling mount
- Compatible with Skype, Jabber, Webex and any other contemporary platform.

3. Original software: to enable host and remote equipment linkup as when required by purchaser.

Minimum Eligibility Criteria:

The following shall be the minimum eligibility criteria for Technical qualification of Invited bidders:

- a. Registration: The bidder should be Income tax payer and should be registered with GST Department.
- b. Turnover: The bidder should have minimum turnover of Rs. 50 lakh in the Financial Year 2017-18 or a cumulative turnover of Rs. 60 lakhs in the financial years 2016-17 and 2017-18; and bidder should be a profitable entity.

- c. Experience: The bidder should have minimum experience of 2 years in the field of designing and providing audio visual solutions for class rooms. Bidder should have completed minimum one single project with value of not less than Rs. 20 lakh in the last two financial years, 2016-17 and 2017-18 for execution of audio visual system in government training center. The decision of Tender Committee in this regard shall be final and binding to all bidders.

In the spirit of GoIs “make in India” initiative, preference will be given to the bidder which is India based manufacturer of smart classroom equipment and integrator of interactive virtual smart classroom platforms or a certified dealer associated with a manufacturer of such manufacturer and integrator.

The tender documents along with instruction and terms and conditions can be collected from the O/o. Deputy Director (Admin.), AIIMS Mangalagiri or downloaded free of cost from the website of AIIMS, Raipur and/or the Central Public Procurement Portal <https://eprocure.gov.in>. The bidders and or their representative may present themselves physically at the time of opening of bids. However, absence of any bidder shall not adversely affect the validity of their bids.

The invited and eligible Company/Firm/Concern/Contractor may submit their tender document complete in all respect along with Earnest Money Deposit (EMD) of Rs. 5,000/- (Rs. Five Thousand only) in the form of a Demand Draft/Banker’s Cheque drawn in favour of the AIIMS, Mangalagiri and other requisite documents on or before the due date and time in the Tender box kept in the office of the Deputy Director (Admin).

The bids shall be opened on the stipulated date and time in the presence of all the bidders who are present. The bids shall be opened even if no representative is present.

The successful bidder shall deposit 10% of bid amount as Performance Guarantee. This is returnable after one month of successful commissioning of entire system and after written certification that manufacturer’s warranty clause of the equipment is functional. The successful bidder/ Vendor shall sign a MOU with AIIMS within 3 days of award of supply order on SITC basis.

AIIMS reserves the right to amend/withdraw any of the terms and conditions in the Tender Document or to reject any or all tenders without giving any notice or assigning any reason. The decision of the Deputy Director (Admin.), AIIMS, Mangalagiri in this regard shall be final and binding on all.

Section -II

INSTRUCTIONS TO BIDDERS

This Invitation for Bids is to reputed firms/ Companies/Concerns in India, both manufacturers and suppliers of Interactive Smart board and Digital podium (with integrated audio solutions) capable of carrying out the subject work as per schedule and having experience in the field of providing smart interactive class room audio visual solutions. As per the provisions in the Procurement Manual 2017, DoE, GoI, the unsolicited bids shall ordinarily not be entertained.

The AIIMS, Mangalagiri, hereinafter will be referred to as **AIIMS or “Contractee”** or its successors, and the successful bidder shall be referred to as the **“Contractor”**.

- 1 The Bidder is expected to examine all instructions, forms, terms & conditions, and specifications in the bidding documents. The bidder is expected to physically examine the class room.
- 2 Failure to furnish information required by the bidding document or submission of a bid not substantially responsive to the bidding document in every respect will result in rejection of the bid.
- 3 The bidder is required to fill up the entire format as provided in Section-I of the Bid Document.
- 4 At any time prior to the deadline for submission of bids, the Contractee may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding document by a written amendment.
- 5 The bid prepared by the Bidder, as well as all correspondence and documents shall be written in English language.
- 6 The Bid should be submitted in the prescribed proforma given in Section-I of this document and its supporting documents and shall also include the following:
 - a. Profile of the business concern in the proforma prescribed (Annexure-I)
 - b. Documentary evidence to prove Minimum eligibility Criteria
 - c. Financial bid duly filled in
- 7 Prices shall be quoted in Indian rupees only.
- 8 **Sealing and Marking of Bids:**

- a. The Bid along with EMD instrument should be placed in one sealed envelope super-scribed Procurement of Smart Interactive Integrated Audio Visual Solution with Virtual Class room features for one lecture hall in the Temporary Campus of AIIMS, Mangalagiri on Supply, Installation, Testing and Commissioning basis and should be addressed to the **Dy. Director (Admin.)**, AIIMS, Mangalagiri. The bidder's name, telephone number and complete mailing address should be indicated on the cover of the outer envelope.
- b. If the envelope is not sealed and marked as required, the Contractee will assume no responsibility for the bid's misplacement or premature opening.
- c. The Bid document submitted should be serially page numbered and contain the table of contents with page numbers.

9 Deadline for Submission of Bids:

Bids must be received by the Contractee at the address specified not later than the time and date specified in the notice Invitation for Bids.

10 Modifications and Withdrawal of Bids:

- a. The Bidder may modify or withdraw its bid after the bid's submission, provided that written notice of the modification or withdrawal is received by the Contractee prior to the deadline prescribed for submission of bids.
- b. The Bidder's modification or withdrawal notice shall be prepared, marked and dispatched in a sealed envelope. A withdrawal notice should be through a signed confirmation by the bidder. The Contractee should receive it before the deadline for submission of bids.
- c. Bid withdrawn in the intervening period of the deadline for submission of bids and the expiry of the period of bid validity specified by the Bidder on the bid form will result in the Bidder's forfeiture of its EMD.

11 Opening and Evaluation of Bids:

- a. The Contractee will open all bids on the appointed date, time and venue.
- b. During evaluation of the bids, the Contractee may, at its discretion, ask the Bidder for any clarification on its bid.

- c. No bidder shall contact the Contractee on any matter relating to its bid from the time of the bid opening to the time the work order is placed. If the Bidder wishes to bring additional information to the notice of the Contractee it should be done in writing.
 - d. Any effort by a Bidder to influence the Contractee in its decisions on bid evaluation, bid comparison or purchase order decision will result in rejection of the bid.
 - e. Arithmetical errors will be rectified on the following basis: - If there is a discrepancy between words and figures, the higher of the two shall be taken as the bid price. If there is any other discrepancy, the figure leading to the determination of the higher amount shall be adopted. If the bidder does not accept the correction of errors, as aforesaid, its bid will be rejected.
 - f. The Contractee will award the contract to the Bidder whose bid has been determined to conform to technical parameters of the specific scope of work and one who had offered most competitive rates.
- 12 The Contractee reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time, without thereby incurring any liability to the affected Bidder or Bidders or any obligations to inform the affected Bidder or bidders of the grounds for the Contractee's action.
- 13 The "Bidder" as used in this document shall mean the one who has signed the tender document forms. He may be either the Principal Officer or the duly authorized representative in which case, the Bidder shall submit a certificate of authority. All certificates and documents (including any clarifications sought and any subsequent correspondences) shall, be furnished and signed by such representative or the Principal Officer.
- 14 The Bidder shall sign its bid with the exact name of the concern to which the contract is to be awarded.
- 15 The Bid document filed by the bidder shall be typed or written in indelible ink.
- 16 It will be the sole responsibility of the bidder alone to execute the entire contract on its award. No subcontracting, in any form will be permitted.
- 17 The bidder must obtain for himself on his own responsibility and at his own expenses, all the information which may be necessary for the

purpose of filling the tender and for entering into a contract for the execution of the same and must inspect and examine the site of work and acquaint himself with all local laws, regulations and practice.

- 18 The Courts of India at Vijayawada will have exclusive jurisdiction to determine any proceeding in relation to this contract.
- 19 Making misleading or false representation in the bid document will lead to disqualification of the Bidder at any stage.
- 20 Where the bid has been signed by the Authorized Representative on behalf of the concern, the bidder shall submit a Certificate of Authority and any other document consisting of adequate proof of the ability of the signatory to bind the bidder to the contract. (Contractee may out rightly reject any bid not supported by adequate proof of the signatory's authority).

Read and accepted.
