For

"Development and deployment of Course Management Software" for All India Institute of Medical Sciences, Raipur

INTRODUCTION

AIIMS Raipur is one of the SIX AIIMS healthcare institutes being established by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY). With the aim of correcting regional imbalances in quality tertiary level healthcare in the country, and attaining self-sufficiency in graduate and postgraduate medical education and training the PMSSY planned to set up 6 new AIIMS like institutions in underserved areas of the country. AIIMS Raipur is one of the SIX AIIMS healthcare institutes being established by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY).

DISCLAIMER

This is not a tender document; this call is to gather all experienced and interested parties for brainstorming. The idea is to share our requirements for the development and deployment of Course management software in the AIIMS Raipur. No selected parties will have any kind of support during bidding process.

Institute reserves the right to cancel the EOI, whenever required, without any information.

OUTCOME

Basically the AIIMS team will discuss their requirement of course management application with the selected Software development firms. Institute has it's own requirement, it is ready to embed any input pertaining to latest trends and technology from the Industries.

Final Software requirement specifications will be prepared, based on the discussion and it's cost model will be prepared. Based on technical and cost model the final tender will be published.

PROCESS:

1. Interested parties may please send their interest through email to it@aiimsraipur.edu.in and cc to khandelwaldrekta@aiimsraipur.edu.in along with all necessary documents.

2. The last date of EOI is 25-01-2024, after that no requests will be entertained.

3. The Institutional committee will scrutinize the applications and will choose the qualified parties.

4. Selected parties will be invited by the institute for their presentation of existing solution (if, any); and discussion.

5. Final specification requirement will be prepared and sent to all participants for their budgetary offer.

6. Based on final requirement a tender process will be executed.
