SINCE ONLY ONE CANDIDATE IS ELIGIBLE FOR THE POST, THIS ADVERTISEMENT IS EXTENDED TILL 30TH MAY 2025.

THE TWO COMMON MISTAKES MADE BEFORE APPLYING FOR THE POSITION ARE AS FOLLOWS, REQUESTED NOT TO REPEAT.

1. please refer to Serial No. 7 of the advertisement, where the essential experience is clearly mentioned. It states—with an asterisk (*)—that the candidate must have a minimum of two years' experience in interventional clinical trials (Phase II/III/IV) specifically in sickle cell disease. The asterisk further denotes that candidates unable to fulfill this essential criterion will not be eligible for the post.
2. Please note, if you do have experience that satisfies this essential requirement, you are requested to kindly provide a certificate and the official email ID of the Principal Investigator under whom the trial was conducted. Additionally, the clinical trial experience should not be part of your academic coursework, internship, or any graduation-related training.
